**44. Alpine JS Series Jim Shockey bow.** The Alpine Yukon has been designed for the legendary Jim Shockey. **The winner of this bow will be able to return it to Alpine for Jim Shockey to personally sign.** Jim wanted a high performance bow that would shoot broadheads perfectly, every time at high velocities, while being quiet, with very low recoil. Jim's hunts are often in rugged and very remote areas, so the Yukon had to be absolutely reliable and trouble free. Alpine filled the bill perfectly with the Yukon, and Jim proudly adds the Yukon to his NO GUFF™ Gear, as the Jim Shockey Signature Series Yukon.
